

**КАТАЛОГ КАМИНОВ >>**

- Камин занимает центральное место в домашнем интерьере и создает атмосферу тепла и уюта. Камину важно гармонизировать с общим стилевым решением помещения, продолжая его интерьерную направленность. Мы предлагаем порталы, искусно выполненные с высоким качеством из мрамора и камня на Carmona Marmoles.
- Имея 40 летний опыт производства изделий из камня самого высокого качества, мастера Carmona Marmoles предлагают стиль, который не подвержен веяньям моды и наилучшим образом подходит под ваши предпочтения.
- При желании любой предлагаемый вариант из каталога можно изменить, учитывая все требования по вариантам отделки, дизайну и габаритным размерам. Возможно проектирование любых индивидуальных моделей по Вашим эскизам.
- Представленные порталы адаптированы под каминные топки Spartherm: Varia Sh, Varia Sh-4s, Varia SRh, Varia Bh 75, Varia Bh 120x80; под каминные топки Invicta и Laudel.
